Comments.

- (1) Deliveries by Soviet Zone hydrogenation plants to Soviet supply installations or units in the Zone.
- (2) Deliveries by Soviet Zone hydrogenation plants to the U.S.S.R. Zhabinka is on the Brest Litovsk-Baranowice railroad line. Fuel shipments to Stettin are transloaded from rail to water there.
- (3) Deliveries by Soviet Zone hydrogenation plants to Poland. The name Slawenice is reported for the first time and probably should read Slawieice which is located on the Heydebreck-Gleiwitz railroad line.
